## **Cancellation and Reservation Policy:**

Harvest of Hope greatly appreciates that you have chosen our mission camp as a place for your students. We look forward to being in service with you. Please take a moment to review the reservation and cancellation policy and sign below acknowledging that you have reviewed.

After you receive your confirmation letter, your event has been reserved and may force us to turn other groups away that would like to participate. We also use the number of participants you submitted to plan the materials for the week, the amount of food to prepare, camp costs and other budget projections.

Harvest of Hope understands how difficult it is to schedule a mission trip like this. Trying to figure out how many adults and students will participate, last minute cancellations, and other issues that come up can be challenging. It is our goal to be as clear as possible about our policies and procedures.
