

If you love the little children ... train them up in the way they should go!

*Proverbs 22:6 - Train up a child in the way he should go,
and when he is old, he will not depart from it.*

Trek on over to your church office and tell them about this VBS mission project!

Make the **TREK** [Transform, Rejoice, Experience & Know God] across God's beautiful world, guided by Society of St. Andrew's 2009 mission program.

*"Through this program our kids learned about hunger, the Society of St. Andrew, and things they can do to help."
St. John's UMC, Kansas City, MO*

*"We sent home your handouts each day to reinforce the focus and to educate parents and children about hunger. The kids talked about how much better they would feel helping others versus buying another toy."
Athens First UMC, Athens, GA*

"TREK Mission Adventure" is designed to supplement any VBS themed program and help your students learn about hunger in America and how Jesus wants us to help. Daily activity sheets for all ages contain short scripturally based stories, facts about hunger and the Society of St. Andrew's hunger ministry, potato trivia, and pencil activities. "Go Green" tips for keeping God's world beautiful are also part of this year's program.

VBS Trekkies will meet interesting biblical characters and travel to the most amazing places. "Go with God!"
