

# Harvest of Hope

## College Mission Trip

at Pine Lake Retreat Center in Groveland, Florida

**H**arvest of Hope is the ecumenical study, worship, and action mission program of the Society of St. Andrew. Harvest of Hope (HoH) provides an opportunity to learn about hunger and a commonsense solution to the issue – gleaning. Together we will glean fresh fruits and vegetables which will immediately, through the help of local feeding agencies, find their way onto the tables of those in need. HoH strives to provide an opportunity for participants to experience a simple and healthy lifestyle during the event. Also, we will worship together, exploring what God wants us to do concerning our neighbors who are in need.
