GLEANNING AMERICA'S FIELDS  
FEEDING AMERICA'S HUNGRY

## Strengthen Your Team

### WITH A TEAM GLEAN EVENT

[EndHunger.org/team-glean](http://EndHunger.org/team-glean)

When you volunteer, you offer health – and hope for a better tomorrow.

- Spend a morning outside of the office, working together, harvesting healthy food for hungry people nearby.
- Learn about hunger in your community.
- Take the good food you've gleaned directly to a feeding agency (soup kitchen, shelter, or food pantry), where neighbors in need will enjoy those fresh fruits and vegetables, often the same evening!
- Great for employee groups of 10-50 persons on a weekday, or for employee families on a weekend.

#### Time

2-4 hours (including getting to the field and back)

#### Supplies

Provided for you, along with drinking water

#### Minimum Donation

\$30.00 per participant

Society of St. Andrew, founded in 1979, is the nation's oldest and largest gleaning organization.

Over the last 40 years, with the help of more than half of a million volunteers, the Society of St. Andrew has shared more than 2.3 billion servings of nourishing food with hungry people in the United States.

1. By **keeping healthy food out of landfills**, we reduce greenhouse gas emissions and improve the quality of the environment.
2. By **ensuring that good food is eaten**, rather than lost, we promote good stewardship of earth's resources—as inputs of land, soil, water, seed, and labor are put to best use.
3. By **sharing this good food free of charge**, with people in greatest need, we care for our brothers and sisters, improving the nutritional values in their diets.

Everything we do helps build a caring community where everyone can thrive. Call today to schedule a Team Glean event.

The Society of St. Andrew brings people together to harvest and share healthy food, reduce food waste, and build caring communities by offering nourishment to hungry neighbors.
