

VOLUNTEER WAIVER & RELEASE OF PERSONAL LIABILITY

In the event, I, or a registered family member, suffer any illness or accident requiring emergency hospitalization, medication, or other medical assistance while participating in a gleaning event, permission is given for any medical treatment which is deemed necessary and reasonable under the circumstances.

I fully understand and comprehend that reasonable care will be exercised by the Society of St. Andrew's staff and field supervisors for this gleaning event to protect the safety of those involved. I understand that the field supervisor's instructions must be followed at all times, and that I am responsible for any damages caused to fields, farms, or equipment by me/my family members not following these instructions.

I do not hold the board, members or employees of the Society of St. Andrew (SoSA) or any volunteers liable for injury, bodily harm, accidents, or death of myself/my child during events sponsored by the Society of St. Andrew. Neither will I hold the person(s) who owns and/or operates the property from which we glean, salvage, or to which we deliver food, liable for accidents, injury, or death during the gleanings or other SoSA events.

I fully understand SoSA employees and volunteers are guests on the property of others, when gleaning in fields or at farmers markets, when hosting crop drops, or engaging in Harvest of Hope retreats or any other mission-focused activities. For liability and public safety reasons, explosives, firearms, weapons, or other similar dangerous or unauthorized materials, whether open or concealed carry, are prohibited at all SoSA gleaning, crop drops, and mission-focused activities, except in the possession of police or other public safety officers required to carry such a weapon as part of their duties.
